Installation and responsibilities

INCLUDED BY RENKA

- Technical site survey
- Post-survey manufacturing drawings
- Manufacture of all 45 elements
- Delivery to site
- Installation and project coordination

PROVIDED BY CLIENT / MAIN CONTRACTOR

- Safe working platforms or scaffolding above ground floor, including all rooflights
- Builder's openings formed to surveyed sizes, with clear level access to each one
- Clear, level access to every installation point

EXCLUDED

- Making good, plastering and internal finishes
- Electrical works
- Cranage and mechanical lifting, unless separately quoted
- Removal of existing glazing unless stated

Quoted installation cost includes transport of products to site / technical site survey / provision of required post survey technical drawings. costs assume good access to point of installation. no allowance has been made for the use of mechanical or powered lifting equipment or scaffolding. should any of this be required, this will be at the client's cost. please be aware - where installing products above ground floor level (including all rooflights), safe access / working platforms must be provided by the client or their contractor. the specific requirements for safe working platforms should be discussed with renka.

Supply only: delivery £295.00 + VAT, to kerbside.

Terms and acceptance

Payment schedule

Deposit on order · 25%	**£38,848.06**
After survey · 25%	**£38,848.06**
7 days before installation	**£77,696.10**
Total payable · incl VAT	£155,392.22

VALIDITY

- Valid for 30 days, until 16 Nov 2026
- Final dimensions are confirmed at survey, not from this document

CONDITIONS

- Please note, we will accept a photograph of the signed order confirmation, taken using a smart phone, sent to us as an email.
- All prices include any paint and all door hardware.
- Please note that images on the quotation do not resemble the actual look, size or proportions of the product - they are indicative of the configuration of the specified products
- Lead times commence on receipt of signed order confirmation.
- Please note that no allowance has been made for the provision of mechanical or powered lifting equipment, unless explicitly stated.
- Please do not book any following trades until all products are installed as we cannot be held responsible for any costs incurred as lead times may vary.
